

Sample Format Table 2 Participant Outcomes During Previous Funding Periods

Participants (Year{s} in program)	Current status (training or employment)	Ph.D. programs applied to (department or degree programs and institutions –indicate in bold type PhD programs accepted into)	Ph.D. program enrolled in (department or degree program and institution) Degree earned and graduation (or expected) date
1 Name 1 (2008-09)	Postdoctoral Fellow (Department of Cell and Molecular Biology, University of...) PhD, July 2013	Bioinformatics, University of... Molecular Biology, University of... University of...	Bioinformatics, University of... Ph.D., July 2013
2 Name 2 (2009-10)	Fourth year Ph.D student (Genetics, University of...)	Genetics, University of... Biology, University of... University of...	Genetics, Univ.of... Expected graduation: Spring 2015
3 Name 3 (2010-11)	Third year Ph.D student (Chemistry, University of...)	Chemistry, University of... Biochemistry, University of... University of...	Chemistry, Univ. of... Expected graduation: Spring 2016
4 Name 4 (2011-12)	Second year Ph.D. student (Molecular Biology, Department of..., University of...)	Molecular Biology, University of... University of... University of...	Molecular Biology, University of... Expected graduation: Spring 2017
5 Name 5 (2011-2013)	Research Scientist, (Applied Sciences, Inc....)	Molecular Biology, University of... University of... University of...	Not applicable
6 Name 6 (2012-2013)	First year Ph.D. student (Biochemistry, Department of Chemistry, University of...)	Biochemistry University of... University of...	Biochemistry University of... Expected graduation: Spring 2018
7 Name 7 (2012-13)	First year Ph.D. student (Department of Biomedical Engineering, current PREP institution, ...)	Neurosciences University of... University of...	Neurosciences University of... Expected graduation: Spring 2018
8 Name 8 (2012-13)	First year Ph.D. student (Computational Biology, Department of Biological Sciences, University of...)	Computational Biology University of... University of... University of...	Computational Biology University of ... Expected graduation: Spring 2018
9 Name 9 (2012-14)	PREP participant (second year)	Not applicable	Not applicable
10 Name 10 (2013-14)	PREP participant	Not applicable	Not applicable
